

High Sierra Log Stain

is becoming...

Transformation Siding & Trim Stain®

Restore the Wood Nature Destroyed

Effective February 14, 2012:

All High Sierra orders will be shipped in a Transformation Siding & Trim pail

Every pail will be stickered with a label that says, "Formerly High Sierra"

Formula and colors will remain unchanged with the exception of Natural Spruce*

High Sierra colors will continue to be available under Transformation Siding & Trim through December 2012. Only available in 5 gallon pails

*Natural Spruce has been discontinued due to low demand.

In conjunction with this temporary offering of High Sierra colors, we are also launching 6 new Transformation Siding & Trim colors, which will be produced on an ongoing basis. For more information visit:
